CELEBRATING OUR TEACHERS

Two, four, six, eight --who do we appreciate?

OUR TEACHERS!

Every day teachers inspire our students shaping their young minds and hearts. Some of our teachers were just born to teach and others were called through life experience, but all of our teachers make our world a better place. We know as parents we have days that are extremely challenging, but the rewards of making a difference in kids' lives is what drives our teacher's passion every day. Being a teacher is about loving and connecting with our young children. And, we are so grateful to have the most amazing, hard working teachers at Watch Me Grow Childcare and Preschool. Even though expressing your appreciation is welcomed at any time of the year, please make sure next week to say thank you to all of our teachers for the invaluable work that they do and for their dedication to our children.

"Anyone who does anything to help a child in his life is a hero to me."

Fred Rogers (Mister Rogers)

-REMINDERS-

Please remember to apply sunscreen to your child each morning at home and bring in a bottle of sunscreen to leave at WMG so teachers can reapply in the afternoons.

Have a very Happy Mother's Day! Thank you for sharing your beautiful children with us.
